About this publication

Knowing how Illinois tax laws apply to your business can save you time, trouble, and money. The information included in this publication will supply you with the general sales tax information most food and beverage retailers located in the Metropolitan Pier and Exposition Authority (MPEA) district need, help you collect the proper amount of tax due, and help you file your returns correctly.

As a retailer of food and beverages within the MPEA boundaries, you are responsible for

- collecting the correct amount of tax on every food and beverage sale you make,
- properly documenting the tax-exempt sales you make,
- sending the tax you have collected with your properly completed **Form ST-4, MPEA Food and Beverage Tax Return**, by the due date, to the Illinois Department of Revenue, and
- keeping complete and accurate books and records for all food and beverage sales.

Business Requirements for Retailers who File Form ST-4

On what sales must I collect and pay the MPEA Food and Beverage Tax?

You must collect and pay the MPEA Food and Beverage Tax if you make retail sales of prepared food, alcoholic beverages, or soft drinks within the MPEA boundaries and your sales are for consumption

- on the premises;
- off the premises, if more than 50 percent of your gross receipts are from the sale of prepared food, alcoholic beverages, and soft drinks prepared for immediate consumption; or
- on boats and other watercraft, such as tour boats, departing from and returning to the shoreline of Lake Michigan, whose business locations are within the MPEA boundaries.

In general, if you are selling prepared food, alcoholic beverages, or soft drinks for which you collect and pay the sales tax at the "high rate" (in Lines 4a and 4b on Form ST-1, Sales and Use Tax Return), you must collect and pay the MPEA Food and Beverage Tax.

This includes restaurants, coffee shops, cafeterias, concession stands, snack shops, and street vendors.

Note → For street vendors, the MPEA tax is due for prepared food and beverages sold within the MPEA boundaries, no matter where the vendor's permanent business is located.

What transactions are exempt from this tax?

The same sales transactions that are exempt from Retailers' Occupation Tax are also exempt from this tax.

What is the tax rate?

The MPEA food and beverage tax rate is 1 percent (.01) of gross receipts.

Is my tax rate preprinted on my return?

Yes, it will be preprinted on your Form ST-4 and if you make taxable sales from more than one site, the rate for each site will be printed on your Form ST-7, Multiple Site Form.

How do I show this tax on my retail receipts?

You may either separately state this tax, or state this tax in combination with other taxes on the receipts you give your customers.

What form must I use to report MPEA Food and Beverage Tax?

To pay this tax, you must file Form ST-4, MPEA Food and Beverage Tax Return.

We include instructions with the forms we send you.

How do I file if I have more than one site?

If you make retail sales from more than one site and any of those sites are within the MPEA boundaries, you must also file Form ST-7, Multiple Site Form.

We include instructions with the forms we send you.

Must I file Form ST-4 even if I have no sales to report?

Yes. You must file a processable (signed) Form ST-4 for each reporting period regardless of whether or not there are receipts to report. You may file a "zero" return.

When is my return and tax payment due?

You must file your Form ST-4 and pay any tax due on or before the 20th day of the month following the end of the reporting period. We will preprint the reporting period and due date on your Form ST-4. It will be the same as the reporting period for your Form ST-1.

We will notify you if your filing status changes.

Note → Any time a due date falls on a weekend or state-recognized holiday, we adjust the due date to the next business day.

Is there an incentive for paying the tax I have collected on time?

Yes. If you file your return and pay the tax on time, you are allowed to take a discount of 1.75 percent of the tax you collected on receipts from sales.

Where do I file my return?

You should mail your return to the address printed on the form you receive. If no address is available, please mail your return to:

ILLINOIS DEPARTMENT OF REVENUE

RETAILERS OCCUPATION TAX

SPRINGFIELD IL 62776-0001

Do not mail this return in combination with any other type of return.

What if I do not file and pay by the due date?

If you do not file your return and pay the tax due by the due date, you will be assessed for any tax due (including any portion of the discount for timely filing that we have disallowed) plus penalty and interest. For detailed information about the penalties and interest that may apply, see PUB-103, Uniform Penalties and Interest.

Note → When sent through the U.S. mail, items filed with and payments made to the Department of Revenue are considered to be filed and received by the department on the date of the post office cancellation mark. Private postage meters are not used to establish the date of receipt.

If items are filed with or payments made to the Department of Revenue but are not sent through the U.S. mail, they are considered to be filed on the date the department receives them.

What if I make a mistake on my return?

If, after you file your Form ST-4, you find you made a mistake that resulted in an overpayment or an underpayment, or you forgot to send any necessary attachments, you must file an amended return (Form ST-4-X). If you have more than one site, you must also file Form ST-7-X.

Amended returns are available by calling our 24-hour Forms Order Line at **1 800 356-6302**.

For help completing your amended return, please call the Sales Tax Processing Division at 217-782-7517.

For all other questions, you may visit our web site at **www.Iltax.gov** or contact the department at the numbers listed at the end of this publication.

What books and records must I keep?

The requirements for keeping books and records is the same for all retailers and can be found in Publication 113, Retailer's Overview of Sales and Use Tax.
